

# KOLIMASADHA KOLIMASADHI

## SPECIAL HEALING SYSTEM WORKSHOPS FOR **BLACK MAGIC** OF **ELIMINATION**

Often in life, as we travel, or stay in our own country, we come into contact with people who follow the practice of Black Magic. Mostly, we are not aware of this dark soul energy that is transferred to us. If you are afraid in life, not understand your mission, have difficulty concentrating and feel your body plasmic is disturbed, you may have been subjected to Black Magic in some form.

Kolimasadha Kolimasadhi is an ancient Balinese Tradition of clearing, healing and blocking this negative energy. This is rarely taught to people other than specialised Balinese Healers.

If you are an energy worker, healer, meditation guide or yoga instructor this is a highly valuable workshop for you to attend, for your own wellbeing and that of your students and clients.
